

SELECT STEP™ BY BULLFROG SPAS

An attractive and innovative step up in hot tub accessories

Available to order with A, R, X, and STIL Series spas, the Select Step by Bullfrog Spas features a customizable step system that provides maximum safety while adding visual appeal to any backyard setting.

Perfect Coordination

Select colors and materials match Bullfrog Spas cabinetry for appealing aesthetics and integrated design.

Safety & Reliability Ensured

A strong, rust-resistant aluminum frame with step anchors, recessed traction pads, and surfboard-quality tread provides stability and peace of mind.

Flexible, Expandable Configurations

The modular design offers an additional third step with handrail upgrade as well as a backrail upgrade for enhanced safety getting in and out of the spa.
